NEW DANCE NAMED 'WESLEYAN' IN HONOR FAMED CHURCHMAN

New York, Aug. 28.—The "Wesleyan" was adopted as this year's dance innovation by the American National Association of Dancing Masters at the close of their convention today.

The dance is named for John Wesley, founder of the Methodist Church, and is slower than a waltz and resembles the minuet.

J. Henry Smythe, jr., son of Rev. Dr. J. Henry Smythe, of Philadelphia, the man who preached to six presidents and converted Billy Sunday, told why he wanted the ban on dancing removed from the Methodist book of discipline. He intimated that his fight against the ban was being waged because the woman he had wanted to marry refused to join the church on account of the ban.

PLOT TO KILL COMISKEY IN BIG ROBBERY BARED

Chicago, Aug. 28.—Confession of a plot to shoot Charles A. Comiskey, baseball magnate, and the office force and police guard at the White Sox baseball park box office September 16 was made to police today by three boy bandits arrested yesterday in an attempted robbery of a $40,000 payroll of Wilson and Company, stockyards packers.

According to police the three said they intended to rob the gate receipts of the White Sox-Yankee game September 16 when they figured "Babe" Ruth would draw a record-breaking attendance. They said they also planned to "shoot the witnesses." They said they knew that Comiskey was not permitted by his physicians to watch the games and that he was in the box office every afternoon.

They told the police that yesterday they planned to kill the bank messengers and escape with the $40,000 packing house payroll.

War History

Local Data of War to be Presented in Richmond Next Saturday

The chairman and collaborators of the Alexandria branch of the Virginia War History Commission met at the rooms of the Chamber of Commerce at 10:30 o'clock this morning when tentative reports were made to be presented at the meeting of the state commission to be held in Richmond next Saturday night.

The principal work at present, and undoutbedly the most important, is the personal record of the men in the service. For this object questionnaire's have been sent from Richmond, are now ready for distribution.

The churches are doing their part in this branch of the work, but to expedite compiling the records of Virginia's sons and daughters for the World War, those who have not secured a questionnaire through their church are requested to call at once at the Chamber of Commerce or at 123 North Washington street, where the necessary papers for this work can be gotten and all questions gladly answered as to the nature of the information desired by the commission.

POLES ADVANCE REDS DISCOURAGED

Poles Army Gains All South Side of East Prussian Frontier

FOE MAKE LAST STAND

Trotzky Takes Personal Command of Bolshevik Forces—Red Hopes Believed Small.

Paris, Aug. 28.—The Poles continue to advance along the East Prussian frontiers.

Notwithstanding all their efforts the Red commanders have failed to instill in the Boshevik troops enough courage or energy to resist the Poles, who, after a few hours of desultory fighting, took possession of the Ossovetz forts, opened a passage across the Bohr marshes and reached the Augustowo lakes, east of the East Prussian frontier.

They thus gain command of the whole of the southern side of that frontier as far as Augustowo.

The Reds, driven back on the line of Augustowo-Grodno, are in a good defensive position, on account of the forests and marshes which cover it. Consequentiy it is difficult for the Poles to attack frontally, owing to the nature of the ground and the fact that the flanks of the enemy rest on the west on the German frontier and on the east on the Niemen river.

The soviet forces are concentrating in this region with the object of stopping the Poles from extending their line eastward, and for this purpose the Augustowo-Grodno line constitutes a flank position so highly extolled by the late Karl Clausewitz, the German master of theoretical warfare.

This danger is not considered a serious one in military circles here, where it is said to be of any use a flank position must serve as a base for an offensive.

The military observers assert that it is hard to see with what success the soviets could be formed for a mass maneuver. They say that the Bolsheviki at present have available 30,000 to 40,000 men who escaped from the interior of Russia, where mutinies are already reported among the troops ordered to the front.

In addition, they say that the Augustowo-Grodno position depends for its communication on Vilna as a center, and that, should the Poles come to an agreement with the Lithuanians, the Russians would be deprived of this line of communication.

Bolsheviki batteries stationed on German soil have fired on Polish troops, says a Polish official communique issued yesterday.

Firemen Depart

City Will Be Shorn of Decorations Monday

Practically all of the firemen who have been attending the thirty-fourth annual state convention of the Virginia Firemen's Association have returned home.

Most of the visitors left yesterday afternoon. Many, however, did not leave until late last night and the last entrained this morning.

All of the visitors expressed general satisfaction over their splendid treatment while in Alexandria and were unanimous that it was the best convention ever held.

The work of taking down the decorations will begin Monday morning. The street lights will again be illuminted tonight. By Monday night the last vestige of the decorations will have been removed.

The local firemen enjoyed the affair, but all are now resting up after a very strenuous three days entertaining the visiting firemen. Through out the convention weather conditions were ideal.

Capt. E. J. Lamb, of the Harrisonburg Fire Department, before leaving the city through the Gazette desires to express his appreciation to Chief Ogden, the city school board and the citizens of Alexandria in general for the kind treatment to the visitors and he says that he hopes Harrisonburg will be able in the near future to reciprocate.

CHAPPAWAMSIC SWAMP ROAD SOON TO BE PAVED

According to reports coming in to the State Highway Department yesterday, general road conditions were somewhat improved with one day of partial sunshine, but it will take several days of dry weather to re-establish anything like normal.

Assistant Highway Commissioner Cocke, said that there are many bridges and culverts out in all sections of Virginia due to recent floods and that it will take some time to get all these rebuilt and repaired.

Mr. Cocke said that conditions on the fill in the Chappawamsic Swamp will continue bad for several weeks though the road may be passable for light vehicles after a few days of dry weather. He said, however, that as soon as weather will permit the road will be closed for cement paving.

This paving cannot be done until the soft fill which had been put in preparatory to the paving is thoroughly dry and set. Machinery and material is ready for this work, and it will be started just as soon as weather will permit. The road or this part of it necessarily will be closed while the improvement is being made.

Officials of the department ask that the public exercise as much patience as possible while the department is doing all in its power to keep roads in repair and make improvements authorized.

GOV. COX RENEWS TALK ON SLUSH FUND

Says 88 Men Attended Meeting When Lists Were Made

TO BE SUMMONED

Says Harding Doesn't Know of Many Things Being Done—Urges Cummings' Election

New Haven, Conn., Aug. 28.—Attack on Republican campaign contributions was renewed here today by Gov. James M. Cox, Democratic Presidential candidate, in a number of addresses opening his New England campaign.

In his final address tonight Governor Cox commented sarcastically on the statements made by Senator Harding, Chairman Hays and Treasurer Upham with reference to his contribution charges and also declared that 88 men attended the meeting at Chicago when the contribution quota lists made public at Pittsburgh were circulated.

"Senator Harding indorsed the plan (of quotas) and states his knowledge of the fact," said Governor Cox, reading from the Republican literature. "That the organization is to cover every State and county. Then he states that he knows nothing about it and that Hays and Upham are running the campaign. I am disposed to agree with him. There are many things being done now by the crowd surrounding Senator Harding, of which he is ignorant, apparently and if he should become President many other things would be done by the crowd and he would not know anything more about them then he says he does about the contributions.

"I said that the campaign fund would not be less than $15,000,000. I renew the charge. Mr. Upham says that the quota list was 'phony.' The Senatorial investigating committee can call some of the men who were present that evening in Chicago, and some of them will tell the truth. And if they do, they will convict Treasurer Upham of doing the reverse."

"Chairman Hays, in his statement Governor Cox added, "makes no denial of the fund."

That the Democratic policy regarding contributions was "just the reverse" of the Republican was assert-

STREET PREACHER RETURNS

Rev. John Cavnaugh, Aged 79, Reappears in Wilkes-Barre But Leaves Again Today

The familiar figure of Rev. John Cavnaugh, which was seen last Friday night on Public Square for probably the first time in three years, was again in evidence last night. Hundreds of people stopped to hear him, many of them purely for the sake of seeing the old preacher once more and others for the purpose of enjoying his fiery exhortations. Many who were wont to listen to him before he left the city have died, others were mere youngsters when last they edged themselves in through the circle to hear him.

Mr. Cavnaugh since leaving Wilkes-Barre, has been negaged in work at the camps during the war. He has also had charges in Port Jervis and Walton, N. Y. He has been attending camp meeting at Dimock and is having as he termed it, "his vacation." To the wonder of his listeners last night, Mr. Cavnaugh skipped and danced on the pavement as his spirits surged up, and he astonished them when he declared that he would soon be 79 years of age. He said that he had been preaching to Wilkes-Barre audiences at different times for 40 years, and stated that he doesn't know whether he will ever come back to the city. He leaves this morning for Walton, N. Y.

Rev. Cavnaugh is well known in Alexandria, where he preached for several years.

ANOTHER RATE RAISE ASKED FOR EXPRESS

Washington, Aug. 28.—Testimony in support of its application for an additional increase of 15 per cent, in express rates to cover increased wages was presented by representatives of the American Railway Express Company today to examiners of the Interstate Commerce Commission. The hearing developed virtually no opposition on the part of shippers.

The examiners stated at the conclusion of the hearing that the case would be submitted without delay to the commission, which will expedite its consideration, although no decision is expected before September 1, when the increase of 12 1-2 per cent already allowed the express company will become effective.

The analysis of the proposed expenditures shows that the railroads propose to buy 1,800 locomotives, 22,000 open cars, 30,000 box cars and 1,200 passenger coaches. Compilation was made by the bureau of railway economics of the American Railroad Association. Amounts to be spent on different improvement projects were shown.

SABBATH SCHOOL CONTEST ENDS

Final Count Tomorrow and Announcement of Winner Monday

SECOND BAPTIST LEAD

Twelve Points Ahead of Closest Competitors Which is St. Paul's—Losers Will Be Host to Winning School

The Second Baptist Sunday School looks like a sure winner in the Y. M. C. A. Sunday School attendance contest which closes in the final count tomorrow. They are twelve points ahead of their nearest rivals in the standing for this week, and they claim that they are going to make a great finish tomorrow.

St. Paul's will have to reach the 200 mark in attendance tomorrow to tie the present standing of the leaders and if they should increase their lead the task would be even more difficult for the Pitt street school which has made such a game fight all through the contest and are now showing themselves to be just as good losers.

Miss Cora M. Cochran, chairman of the "feeding committee" of the Ladies Auxiliary of the Y. M. C. A., is undaunted by the size of the crowd to be fed and has already made plans to care for every member of the winning school. And she promises that there will be no "food substitutes" when the victors surround the table, the guests of all of the other schools of the city.

Popular conjecture is now rife regarding the young lady who will be chosen by the winning school to represent it as leading lady of the picnic. This privilege goes with the winning of the contest and it is rumored that a very faithful member of the school is to be chosen both because of her comeliness and because of her willingness to always be of service to her school.

Only one change is noted in the standing of the schools this week. Grace Church goes into seventh place, thus registering her second rise in the column during the contest and displacing the Second Presbyterian School which has dropped from the position above to the one he has held a majority of the time.

The summary for the week: Second Baptist attendance 250; week's per cent 269, average per cent, 196; St. Paul's attendance 134; week's per cent 206, average per cent 183; Methodist Protestant attendance 156, week's per cent 208, average per cent 158; First Baptist attendance 383, week's per cent 109, average per cent, 119; Trinity M. E. attendance 80, week's per cent 105, average per cent 117.

M. E. South attendance 262, week's per cent 84, average per cent 111; Grace Church attendance 87; week's per cent 83, average per cent 102; Second Presbyterian attendance 143, week's per cent 90, average per cent 101; Christ Church attendance 85, week's per cent 56, average per cent 90.

The reception at the Governor's mansion on the opening night, will turn over the city of Richmond to the delegates for three days.

When the books of the Virginia Department of the Legion were closed on August 18 the organization had more than 7,000 paid for members. On the basis of this membership, there will be approximately 350 delegates at the second annual convention, not including the women representatives of auxiliaries and local points without auxiliaries. Every post in the State is expected to be well represented at the meeting.

Among the important matters to be considered at the convention will be the Wasson bill, providing beneficial legislation for disabled service men; Americanization, a national preparedness policy, compensation and women's auxiliaries

HUSBANDS AT AUCTION

It is somewhat disconcerting that just as women have been given the ballot a Massachusetts lady should offer her husband at auction, or be willing to raffle him off. The fact that she thinks she can sell 20 000 tickets at $5 each in a lottery for a man whom she recommends highly is to an extent flattering to males, but unfortunately the wife is to get all of it. This is worse than some baseball deals for star performers.

If husbands are as a general rule to be looked upon as the property of wives—and that idea has been growing for years—and if they are to be disposed of to the highest bidder, it seems as if the time had come to call a halt unless the slave gets some of the profits. There are many husbands who are worth a great deal and some wouldn't fetch a cent in the open market—and, the same is true of wives. It is well known that for millenniums women have been more or less disposed of in marriage at a price whether openly or otherwise and it has been one of the claims of suffragists in recent years that only equal suffrage can emancipate woman from her dependent position. If she can sell her husband at a good price there is no doubt that male slavery is to become worse than women ever suffered.

There is one point to be considered in this connection which is sociologically encouraging. With about an equal number of men and women in the country it is hard to believe that the male market will be active unless the laws are changed to give women as many husbands as they want as a revenge for polygamy in the past. Furthermore, it does not seem likely that women will have the price to accumulate a collection of husbands unless they confiscate all male property.

On the whole, the Massachusetts proposal looks like press agent work rather than an economic offer. That a second hand husband should bring a high price seems unlikely, but we trust that the suffragist militants will hasten to compose the minds of husbands who may fear that the new order of things is to send them to the auction book.

THAT SIX PER CENT RETURN

In many quarters there seem to remain some misunderstanding as to the provision of the Transportation Act of 1920 which makes it the duty of the Interstate Commerce Commission to authorize rates which give the railways of each section of the country a fair return on the value of their property, devoted to transportation purposes, and, for two years following the passage of the Act, set the "reasonable return" at 5 1-2 per cent wit hanother 1-2 per cent, to be devoted to improvements, at the option of the commission.

Some persons have gotten the idea that the Transportation Act guarantees the railway companies six per cent on their stocks and bonds. The fact is that the Act says nothing about any return on capitalization and no railway is guaranteed anything. The volume of stocks and bonds which any railway company may have outstanding will have absolutely no effect on the return it will receive.

While the Act makes it the duty of the Commission to authorize rates which will give the railways of each section an aggregate fair return on the aggregate value of their property, there is no assurance that any individual railway will get a return of six per cent on the value of its property, or any return at all. What it will get will depend on the business it secures and the efficiency with which that business is handled.

Under the new rates, if a railway earns more than six per cent, it must divide the surplus with the Government; if it earns less than six per cent, or earns nothing at all, the loss falls on its owners.

CRIPPLE FIRST IN DEATH CHAIR

Sing Sing Prisoner's Execution Followed by That of Negro Asking Music

New York, Aug. 28.—John Eagan the first cripple ever executed at Sing Sing prison, was put to death in the electric chair last night shortly before midnight for the murder of a United Cigar Stores clerk in the Bronx. Frank Kelley, a negro, who killed a white girl in a Brooklyn robbery several months ago, was electrocuted a few moments later.

Kelley had asked Warden Lewis E. Lawes to have some one play Chopin's funeral march on the prison phonograph as he was being lead down the death house corridor and through the little door into the death chamber, but the warden refused.

Eagan died first because he had been the more composed of the two men throughout the day, and it was feared that Kelley would collapse. Eagan had a wooden leg, and the keepers had anticipated considerabe trouble in fitting the electrodes to his body, since one of them is usually fastened to the right leg. This difficulty, however, was easily overcome. The electrode dangles loosey by strap and wire from the electric chair, and the electricians crossed the strap under his right leg to the left.

Kelley confessed to another crime for which he says an innocent man is now serving sentence.

PRINCE ASKS WHEN PROHIBITION GOES INTO EFFECT

New York, Aug. 28.—Prince Carol of Roumania, who has passed several days and nights in New York city this week, was interviwed for the newspapers at the Waldorf-Astoria.

A reporter asked the Prince what he thought of prohibition in general and Mr. Volstead's justly celebrated act in particular.

"By the way, when does prohibition go into effect here!" asked the Prince, quite innocently.

Nobody seemed to know, so the subject was dropped.

The Prince will sail tomorrow on the Aquitania. He is going to London first and then to Roumania.

GOV. COX RENEWS TALK ON SLUSH FUND

(Continued from Page One)

d by Governor Cox, who said that he ad conferred with Chairman White nd Treasurer Marsh, of the national ommittee.

"I said that I wanted to serve notice." Governor Cox continued, "that we don't want any tainted money, nor our administration plastered with any second or first mortgages."

Governor Cox repeated much of the matter he produced at Pittsburgh, nd read from several of the Republican treasurer's "official bulletins." His copies, the Governor said, "were mysterious messengers of good tidings that came to me from a very strange source, and were never intended to get into my hands nor ours."

Attacking the alleged secrecy imposed on recipients of the "bulletin," Governor Cox said that some idea of probable contributions could be gained when it was considered that there re 10,000 post-offices in the country, nd that the quota list totaled $8,-45 000 for only 51 cities.

"I also furnished evidence last night," he added, "that the quotas vere being oversubscribed."

The contribution question, the candidate declared, is a matter of "plain national honesty and decency."

No small group of men having potential millions and millions behind hem should be permitted to buy a governmental 'underhold,'" said the Governor, suggesting that Republican sucess, in view of the campaign contribution disclosures, would weaken public confidence in an honest readjustment of affairs during the next four years.

"The Senatorial committee knows how large the campaign fund is going to be," said the speaker. "Perhaps 5,-000 business men of large interests also know. I ask you, will an administration elected under corrupt auspices receive the confidence of the people?"

Governor Cox urged the election to the Senate of Homer S. Cummings, Connecticut's national committeeman, nd, characterizing Senator Brandegee as "one of Senator Lodge's major-generals," declared that the Republican Senator was "entitled to retirement."

Governor Cox said that Will H. Hays, Republican national chairman, had denied the charges of a $15,000,-000 fund and declared that the fund will be only $3,000,000, while a few days later, the Governor said, Fred W. Upham, Republican treasurer, multiplied Mr. Hays by two and one-half times" by stating that the fund would be $7,000,000.

CORK'S LORD MAYOR AT POINT OF DEATH

London, Aug. 28.—Terrence McSwiney, hunger striking lord mayor of Cork, was reported weaker in his cell at Brixton jail early today. He is not expected to live many hours more.

Throughout the night a huge crowd of sympathizers, prohibited from assembling in front of Brixton prison, paraded the main thoroughfares of the vicinity, passing the jail time and again, waving Sinn Fein flags and singing revolutionary songs, though with half restrained voices, owing to the presence of large forces of police and military.

CHORUS GIRLS GET $75 A WEEK

New York, Aug. 28.—The high cost of things has hit that zippy, enchanting high stepper, the American chorus girl.

Managers of "Musicgirlie" shows seen today said $75 is the average pay for chorus girls and that even at this price the girls are scarce.

Girls who draw this pay appear six nights a week and two afternoons; which is pretty good pay considering that all that is needed is the ability to sing and dance a little, and to wear clothes or rather, how not wear them and get away with it.

HASY HASTILY LEAVES NEW YORK FOR MARION

New York, Aug. 28.—Will H. Hays, Republican national chairman, left here late yesterday for Marion Ohio, where he is to take part in the Indiana day exercises today. Mr. Hays left his office in haste a short time before his train was due to leave, confiding his destination only to a few members of his staff at Republican campaign headquarters.

Several days ago Mr. Hays announced that he would leave here for Chicago on Sunday, arriving there Monday morning to testify before the Senate committee investigating campaign funds.

RUSSIAN LOSS IN POLAND PUT AT 250,000

Paris, Aug. 28.—The Polish General Staff reports that up to Tuesday it has counted 40,000 Bolsheviki killed and 80,000 captured. It is estimated that 100,000 other Bolsheviki were wounded and that 30,000 had been driven into internment in East Prussia. This does not include the loss of other Red effectives due to the scattering of the Bolshevik troops.

"Did More Than I Thought Possible"

"Everything I Ate Felt Like Lead In My Stomach" He Says—Feels Like New Man Now

"I had taken Tanlac only three or four days before I began to straighten right up," declares George H. Volz, 1517 Halifax Street, Petersburg, Va., Mr. Volz is a shoemaker by trade and has lived in Petersburg all his life.

"Why, the first bottle of this medicine helped me more than I believed any medicine could," he continued. "For three years I had suffered with indigestion so bad that everything I ate seemed to lie like a lump of lead in the pit of my stomach and gas would form, bloating me all up and causing the worst kind of pain and such severe spells of palpitation of the heart I could hardly get my breath. My liver was out of order, and I was constipated all the time. I suffered awful headaches and always had a mean, disagreeable taste in my mouth. I often got so dizzy I could hardly stand up and could see black spots before my eyes, I was so nervous it was almost useless for me to go to bed for I could not sleep and got up in the mornings feeling unfit for anything, I felt tired and worn out all the time and was so badly rundown I was hardly able to work.

"One day I read a testimonial from a party I know who recommended Tanlac so highly, I immediately got me a bottle and I improved so much before I had finished it I felt like a new man. I have finished my third bottle now and my stomach is in such fine condition I can eat anything I want and lo not suffer from indigestion or gas afterwards. In fact of my troubles have left me and I am getting the finest kind of sleep every night and get up in the mornings full of energy ready for a big day's work" Tanlac is sold in Alexandria by Edgar Warfield, jr.,

when houses for rent or for sale were conspicuous by their absence. When families were leaving the city for other places, owing to the fact that they were unable to beg, borrow or rent a place in which to live.

However, this condition does not exist in such great measure today. Houses are more plentiful now than at any time during the past few years but this condition may not remain.

Real Estate dealers throughout the city are continually asking the question—Why should a man pay a big rental for a house, when for a small initial cash payment, he can buy a piece of property and pay for it on the same conditions as paying rent for a home?

In an effort to further the purchasing of property, the various real estate dealers of the city have banded together and every Saturday they are planning to run a number of specially good bargains in real estate and it is to the best advantage of any prospective property owner in the city to read these advertisements, then make a personal visit to the offices or office and then visit the property and find out the value of the house or property advertised.

Don't fail to watch for this page of advertisements in every Saturday edition of the Gazette until further notice.

VIRGINIA NEWS

Washington—Populations of Virginia towns, as given out yesterday by the Census Bureau, are: Luray, 1,381; Shenandoah, 895; Woodstock, 1,580; Front Royal, 1,404; Cocoan Grove, 1,396.

The Richmond Washington highway still is rather muddy from Fredericksburg to Accotink and is in bad condition at the south end of Chappawamsic Swamp, Otherwise it is fairly good, according to report of the Richmond branch of the United States Weather Bureau yesterday.

Onancock—While a number of children were playing with a dislocated electric wire on the streets of Blaxom, the pole fell and little Twilley W. Rayfield, aged 7 years, son of Mr. and Mrs. J. F. Rayfield, was caught under it. His skull was badly crushed and he died while on the way to the Salisbury Hospital.

Lynchburg—Former service men who go next week to represent the local post at the state convention of the American Legion will have instructions to vote against any form of money bonus for the soldiers.

Charlottesville—John T. Simpson, under indictment for the murder of his brother, J. William Simpson, in the Bank of Fluvanna a week ago, was brought into court at Palmyra yesterday, and Judge Bennet Gordon heard evidence to determine his sanity. After hearing the testimony of his brother, Robert H. Simpson, of Claresholm, Canada, and that of several residents of Palmyra, the court entered an order committing Simpson to the hospital for the Criminal Insane at Marion, Va. The prisoner appeared dazed at the hearing, and professed ignorance of the homicide. The brother from Canada testified that his people had regarded him as mentally unbalanced, and Palmyra citizens told of his queer actions. The slain brother is estimated to have been worth over $250,000.

Norfolk—In an unsucsessful hunt for an uncle of unknown address, 16 year old Louis Guber, who arrived here as a stowaway about three weeks ago, is now lying in St. Vincent's Hospital with a fractured skull. The boy fell three stories while trying to escape from the United States Immigration detention home.

Selva, Fairfax County—Acting upon requests of numerous friends, the Rev. Albert H. Zimmerman, former newspaper man and Boy Scout leader, announced his candidacy for the House of Representatives from the Eighth Congressional District of Virgina, today on an independent ticket.

Harrisonburg—After being adjudged sane yesterday by a commission appointed on petition of her husband, Mrs. Lester House, of near Tenth Legion, gave Magistrate J. W. Pickering information which led to the arrest of the husband on a charge of "moonshining," and the confiscation of a still, found in the kitchen, House waived a preliminary hearing and is now in jail here awaiting the action of the next grand jury.

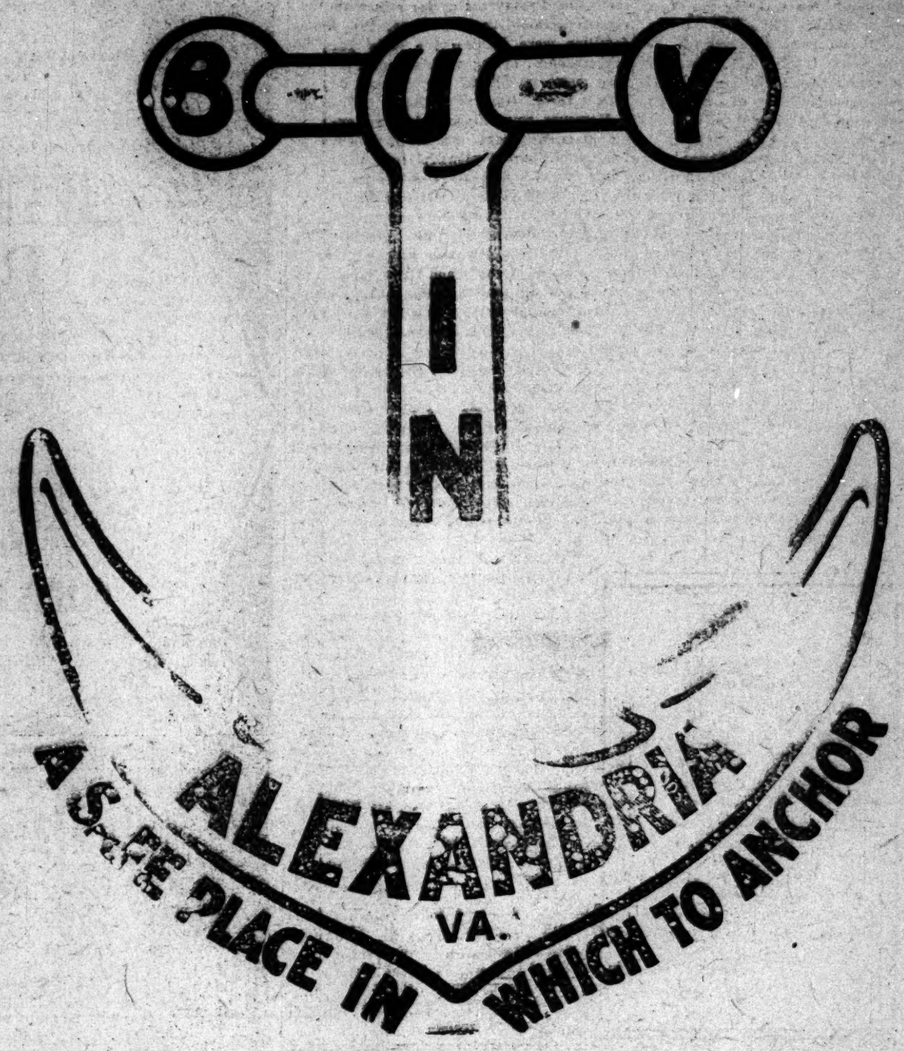
Buy In Alexandria



The Closer at Home You Keep Your Dollars The Quicker They Will Get Back to You

Don't make any mistake and consider that it will not make any difference whether you spend your money in this city or send some away. You may have fond hopes of saving on your purchases but when due consideration is given to all expenses attached your investigation will show that this is not the case. In fact you will discover that instead of being benefitted that your purchases have cost you more than you would have paid for them here as under all conditions.

YOUR DOLLAR IS WORTH MORE IN ALEXANDRIA THAN ELSEWHERE AS FAR AS ITS PURCHASING POWER IS CONCERNED BOTH IN VALUE AND SATISFACTION

Alexandria Can Prosper Only so Far It Receives the Undivided Support of the Residents

Flourishing industries and up-to-date mercantile establishments are the life of any city. This city has reason to be proud of those that are located here. The growth of this city depends upon the support given its industries. If mechanics seek work in other cities, it is a handicap to those that are located here. If our residents send to distant points for merchandise, they are not assisting in the growth of Alexandria as they should.

IF OUR CITIZENS WILL BE TRUE TO THE INTEREST OF ALEXANDRIA, ITS GROWTH WILL BE SURE AND CERTAIN AND THEIR PROSPERITY AS WELL WILL BE ENHANCED

Your Dollars Belong In Alexandria---There Exists No Logical Reason Why You Should Send Them Away---Buy in Alexandria at All Times

Regardless of your duty in patronizing the merchants in this city, it is to your advantage from every standpoint to do so.

There is not a single sane reason why you should go beyond the borders of this city for goods of any nature.

Our stores are well stocked, the stocks carried are of the highest quality and in as extensive a variety as can be found in cities much larger than this. Our merchants recognize the need of quality stocks and this is the foremost aim.

Price can not make it desirable either. A comparison of the quality sold in this city and the prices asked with the prices published by the out-of-town concerns and the quality of the merchandise handled by them will show that price advantage calls for purchasing in this city.

It is thoughtlessness and a lack of consideration to one's own interests that works a hardship locally when goods are purchased out of the city that should be bought here.

Your dollars do double duty when spent here. Not only will they purchase more here, but in remaining in this city they help to make our stores better. Patronize Alexandria merchants. Make their volume of business as large as possible. This will encourage them to continue in their efforts to supply you with the best obtainable and at reasonable prices.

Be fair to the merchants in this city. Help them and they will help you. Your prosperity depends upon their success. Thus in helping them you are also aiding yourself.

Rockefeller Nearly "Kills" Boatman With Two Dollar Tip.

Saranac Lake, N. Y., Aug. 28.—"That is the most fun I have had for ten dollars in twenty years," said John D. Rockefeller, as he stepped jauntily from a motorboat at the Paul Smith Hotel landing this afternoon. The aged but active oil "king" then pleased Leo. Kelly, who piloted Mr. Rockefeller and his party on a two-hour trip through the upper and lower Stregis Lakes, by handing him a $10 bill. The $10 bill was not all for Kelly. Eight dollars was for boat hire and two dollars was Kelly's tip. Kelly nearly died of astonishment, for John D.'s reputation as to tips is limited to nickels and good advice.

Mr. Rockefeller has been visiting his brother, William Rockefeller, at the latter's camp near Paul Smith's. On the trip he manifested great interest in sights around the lake and Kelly noticed that he observed distant objects without glasses more easily than any one else in the party. Stops were made at the camps of Mrs. Whitlaw Reid and Dr. Jame.

A motorboat owner who has been grumbling at paying 36 cents a gallon for gasoline in the Adirondacks, ventured to inquire of Mr. Rockefeller if gas was ever going to be any lower.

"Not so long as the public continues to consume more than the wells in the country are producing," replied Mr. Rockefeller, with a grin that a motorist might describe as sardonic.

ANOTHER PICKFORD DIVORCE

Los Angeles, Cay., Aug. 28.—Lottie Pickford Rupp, film star and sister of Mary Pickford Fairbanks, will appear before Judge Crail in Superior Court Saturday to fight for a divorce from Albert G. Rupp, New York broker.

Rupp has thus far failed to answer the divorce complaint filed by his wife several weeks ago, and indications Friday night were that the action would not be contested. Legal separation will be asked on the grounds of desertion and nonsupport.

Mary Rupp Pickford, 4-year-old daughter of Rupp's, was recently legally adopted by her grandmother, Mrs. Charlotte Smith.

PONZI'S HOME SEIZED

Autos Bought at High Tide Of Prosperity Also Taken

Boston, Aug. 28.—The home and automobiles of Charles Ponzi, which he bought when his scheme of making millions in international reply coupons was at its zenith, were formally taken over by the receivers in bankruptcy today.

The receivers also instituted proceedings against Joseph Daniels to recover $50,000, the sum that Ponzi is alleged to have paid him in settlement of a suit brought by Daniels to establish a partnership interest in Ponzi's Securities Exchange Company.

NAT GOODWIN DIED INSOLVENT

New York. Aug. 28.—The estate of Nat C. Goodwin, actor, was declared insolvent today when Nathaniel Goodwin, his father and administrator, filed an accounting. With assets on only $6.895, the father said his son's liabilities will exceed $15.000.

Some of the larger debts are claims from Paris millinery shops. New York tailors and summer resort hotels. Thousands of shares of mining stock owned by Goodwin are worthless.

WILL ASSUME RECTORSHIP

The Rev. Paul D. Bowden will assume the rectorship of St. James' Episcopal Church in Warrenton September 1. The church has been without a rector since the resignation in the spring of the Rev. William Gibson Pendleton.

IRISH DESERT SHIPS IN N. Y.

New York, Aug. 28.—The first explosion of protest against the imprisonment of Terrence MacSweney, mayor of Cork, to take place on this side of the Atlantic occurred today when 2,000 stokers, firemen, oilers and longshoremen refused to work on British liners.

The longshoremen and the Baltic "black gang" made their way to the Red Star Line and Cunard Line piers, where they won the sympathy of the Celtic, Olympic and Aquitania crews and longshoremen, and received their promise to quit.

The local longshoremen's union officials said they would not interfere. There were reports, however of a coast wide walk out of workers on British vessels. The strike was precipitated both by the imprisonment of MacSweney and the forcible removal of Archbishop Mannix when the Baltic reached England.

The women pickets patrolled the door of the British consulate. The pickets' organization sent a cablegram of protests to Lloyd George.

COUNTESS OUTWITS BURGLAR

Rome, Aug. 28.—While preparing to retire last night the Countess Sforza, wife of the Italian foreign minister, discovered a man under her bed.

The countess noiselessly left the room and gave the alarm. Servants rushed into the bedroom and seized the intruder and handed him over to the police. A bottle of chloroform and a revolver were found in his possession.

THE PROPER COURSE

Information of Priceless Value to Every Alexandria Citizen

How to act in an emergency is knowledge of inestimable worth, and this is particularly true of the diseases and ills of the human body. If you suffer with kidney backache, urinary disorders, or any form of kidney trouble, the advice contained in the following statement should add a valuable asset to your store of knowledge. What could be more convincing proof of the efficiency of Doan's Kidney Pills than the statement of a Alexandria citizen who used them and who publicly tells of the benefit derived?

Guy Pettit, railroad engineer, 114 Commerce St., Alexandria, says: "I have used Doan's Kidney Pills off and on for a number of years and they have done me so much good I wouldn't be without them. I usually carry a box of Doan's with me because my kidneys are apt to get out of order. This is from the jarring of the engine. However I only have to use a few of Doan's Kidney Pills and I am not bothered any more."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Pettit had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.
